Excluded from automatic
downgrading and declassification

PREFACE

This report is one in a series on Soviet Ground Force and logistic installations being prepared for a DIA-CIA Panel. The series is being coordinated, published and disseminated by NPIC. The photographic analysis is being performed by the NPIC Photographic Analysis Group, the CIA Photographic Intelligence Division (NPIC), and the Production Center 111c (DIA). The photographic analysis for this particular report was performed by the NPIC Photographic Analysis Group.

In the interest of uniformity, the titles and letter designators for the facilities observed at these installations are identical with those appearing in the project requirement. When a specific facility is not observed both its title and letter designator are omitted in the report.

Titles and letter designators for the various facilities are as follows: (A) railroad service, (B) road service, (C) landing strips, (D) administrative and troop housing areas, (E) storage areas, (F) ammunition storage areas, (G) POL storage areas, (H) other buildings and facilities, (J) equipment storage/maintenance areas, (K) athletic fields, (L) small arms firing ranges, (M) driver training areas, (N) tank assault gun firing ranges, (P) flat trajectory firing ranges, (Q) artillery emplacements (batteries), (R) infantry or combined arms field training area or courses, (S) special training facilities, (T) unidentified facilities or tracking activity.

SUMMARY

25X1D

25X1D

25X1D

A storage area* is located 9 kilometers (km) northwest of Osipovichi (53-18N 028-39E) on the east side of the Marina Gorka-Osipovichi rail line (Figure 1). The installation is not rail served. A secondary road provides access to the Minsk-Bobruysk Highway.

The installation (Figures 2 and 3) covers 135 acres and contains two administration buildings, five barracks, 13 storage buildings, five probable buildings, six ammunition storage buildings, 11 support buildings, one small arms range, and one athletic field.

The area is covered by [REDACTED] TALENT photography and [REDACTED] KEYHOLE missions between [REDACTED]. Comparative analysis revealed the same general level of usage during the summer months between [REDACTED].

25X1D

no activity has been observed during the winter months. Significant changes include the addition of five probable storage buildings and the apparent dismantling of two storage buildings and two administration buildings by [REDACTED].

25X1D

DESCRIPTION OF INSTALLATION

Railroad Service

This installation has no rail service; however, the double track Marina Gorka-Osipovichi rail line passes the west edge of the installation.

Road Service

A secondary road provides access to Lapichi and the Minsk-Bobruysk primary highway.

Administrative and Troop Housing Areas

Area D1 has two administration buildings and three support buildings. Two administration buildings present in [REDACTED] had been dismantled by [REDACTED].

Area D2 has five barracks and four support buildings.

All buildings appear to be occupied during time of coverage.

General Storage Area

25X1D

Area E is a secured area containing 13 storage buildings and five probable buildings (shown by dashed outline in Figure 3). Two storage buildings present in [REDACTED] had been dismantled by [REDACTED]. Foundations for the five probable buildings were visible on [REDACTED] coverage.

25X1D

25X1D

Ammunition Storage Area

25X1D

Area F is a secured area containing six unrevetted 55- by 20-foot ammunition storage buildings. Four support buildings are located just outside the secured area.

Athletic Field

Area K is an athletic field.

Small Arms Firing Range

Area L is a 330- by 30-foot small arms range. Immediately north of the range are two small parallel revetments, use unknown.

The range was activated prior to [REDACTED] and scarring on later coverage indicates the range is consistently active.

25X1D

*This installation is reported in the DIA PC 225 1-1-60 as AL-3 and 4 and is reported in the Bombing Encyclopedia as Osipovichi Army Barracks Northwest [REDACTED].
